

New Plymouth Airport Landing Fees

New Plymouth Airport landing charges effective *1 July 2019*

The fees for aircraft landing at New Plymouth Airport are based on an aircraft's MCTOW (maximum certified take off weight), broken down into the three weight brackets below.

If operators wish to park on the main apron additional charges will apply. This is subject to availability and will need to be prior approved.

Aircraft Airport Charges (excluding GST)

MCTOW <1,500kg	MCTOW 1,501kg-3,000kg	MCTOW > 3,001kg	Rotary	Main apron charge	Main apron Overnight charge
