New Plymouth Airport Landing Fees

New Plymouth Airport landing charges effective *1 December 2024*

The fees for aircraft landing at New Plymouth Airport are based on an aircraft's MCTOW (maximum certified take off weight), broken down into the weight brackets below.

If operators wish to park on the main apron additional charges will apply. This is subject to availability and will need to be prior approved.

Aircraft Airport Charges (excluding GST)

MCTOW <1,500kg	MCTOW 1,501kg-3,000 kg	MCTOW > 3,001kg	Rotary	Main apron charge	Main apron Overnight charge
$13.00	$20.00	$15.00 per ton of MCTOW *(or part thereof)*	$13.00	$50.00	$100.00

If you have any questions regarding the landing charges please call 06 759 6122

From 1 July 2022 an additional $4.00 administration fee will be charged for invoices requiring posting. Please supply an email address to accounts@nplairport.co.nz to receive by email.
